President's Address at PLHA Annual Members Meeting

Tues, Oct 20, 2026 at 5:00 PM

Thank you for attending tonight's annual meeting.

Before we begin, I would like to recognize the many volunteers whose time, talent, and dedication have supported The HOA throughout the past year. Our association simply could not function without volunteers like you.

I would first like to thank **David Scott** for managing our website and helping keep our community informed.

I would also like to recognize the Lake committee members, headed by **Anne Cazares**, along with volunteers **Carl Ballard, Darlene Flowers, JJ Frazier, Sam Moore,** and **Mark Odom**. Thank you all for your service and commitment.

Special recognition also goes to two gentlemen: **JJ Frazier**, who once again served as our architectural review director this year. JJ handles that responsibility extremely well and is consistently responsive to ARC requests. And **James Carpenter** who served as Treasurer in a excellent manner.

I would also like to thank **Laura Edmonds** and **Emmanuel Roxas**, who served for several months to fill vacancies on our board following the resignations of **Bruce Bauss** and **Lynn Brummund**. We are grateful that they stepped forward to serve when needed.

And thank you as well to **Mark Odom** for placing the signs in the median for our semi-annual yard sale.

As you know, our current board stands on the shoulders of those who served before us. I would like to recognize two former board members who are with us tonight: **Carl Ballard** and **Ray Kantowski**. Thank you for your past leadership and continued support of our community.

Finally, I would like us to honor and remember two former board members and longtime residents whom we lost this year: **Buddy Pritchard** and **Stanley Stephenson**. Their service and contributions to our community will be remembered with gratitude.

To everyone who volunteered, served, and supported The HOA this past year, please accept our sincere thanks.

Respectfully,
Steve Warnecke
